Re: Highway Improvement Program 2005; Atl. Co. File #HWY-999-00-2005-023; Improvements to Eighteen (18) Roadways in Atlantic County, NJ

Subject: Notice of Award; AIA Document A101-1997; ACIA Board Resolution (11/13/06)

Dear Mr. Barrett:

Please be advised that on November 13, 2006, the Board of Commissioners of the ACIA voted favorably for a contract award to Arawak Paving for the above referenced project. The contract's sum is two million, three hundred and ninety-eight thousand dollars (\$2,398,000.00), i.e. base bid and all four add alternates as bid on 11/2/06 by your company.

A copy of a fully executed ACIA Board Resolution is included with this mailing. In addition, we are forwarding six (6) AIA Document(s) A101-1997 – Standard Form of Agreement between Owner and Contractor – for signature and return to the Authority for full execution.

Please have your staff arrange for the generation of the 100% Performance/Payment Bond (see Section H and Page G-9, Project Manual) and the appropriate ACORD Certificates of Insurance plus policy endorsements (see pages G5 through G-8, Project Manual).

With all documents executed, a pre-construction conference will be held, a "Notice to Proceed" can be issued, and work can commence on the first project location, i.e. Mill and Fire Roads.

If questions arise, please have your representatives call Mr. Jerry Cormier, ACIA Director of Projects at cell number, (609) 517-9641.

The Authority looks forward to working with Arawak Paving on this important County of Atlantic project.

Thank you.

Sincerely,

John C. Lamey, Jr.  
Executive Director
