Dear Mr. Johnson:

Please be advised that on May 22, 2006 at a Special Board Meeting The Board of Commissioners of the ACIA voted in favor of an authorization to me for the entrance into a contract with Shore Building Contractors, Inc. for the above referenced project. Accordingly, we are forwarding six copies of AIA Document A101-1997 for your signature.

In addition, we would request that you arrange for six copies of the appropriate Performance – Payment Bond generated and forwarded to the Authority. We will forward a fully executed copy of the ACIA Board's resolution when it becomes available.

Please contact your insurance agent so that he/she can generate the ACORD certificates of insurance and policy endorsements indicated on Pages G-6-7-8-9-10-11 of the Project Manual.

If questions arise, please call Mr. Jerry Cormier of my staff at 645-5838.

Congratulations on this contract award. The Authority eagerly awaits working with your firm on this worthwhile project on the Boardwalk in Atlantic City.
